1: DINO - STORY

You've reached week 4 - Well done!

You've made a Dinosaur, a den, a plant and a toy.

This week we're going to make your Dinosaur the star of its own story.

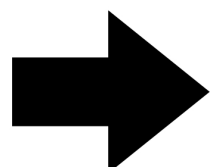

DINOSAUR FACT SHEET:

An open notebook is shown from a top-down perspective. The left page is titled 'Dinosaur File:' in a bold, black, sans-serif font. Below the title are four horizontal lines for writing, each preceded by a label: 'Name:', 'Age:', 'Favourite Colour:', and 'Favourite toy:'. The right page features a large, empty rectangular box with a thick black border, intended for a drawing. Below this box, the text 'Dinosaur Picture' is written in a bold, black, sans-serif font. The notebook has a grey cover visible around the edges, and three silver-colored rings are visible in the center binding. The pages are white with faint horizontal lines.

Draw a picture of your Dinosaur's favourite toy in the box beneath.

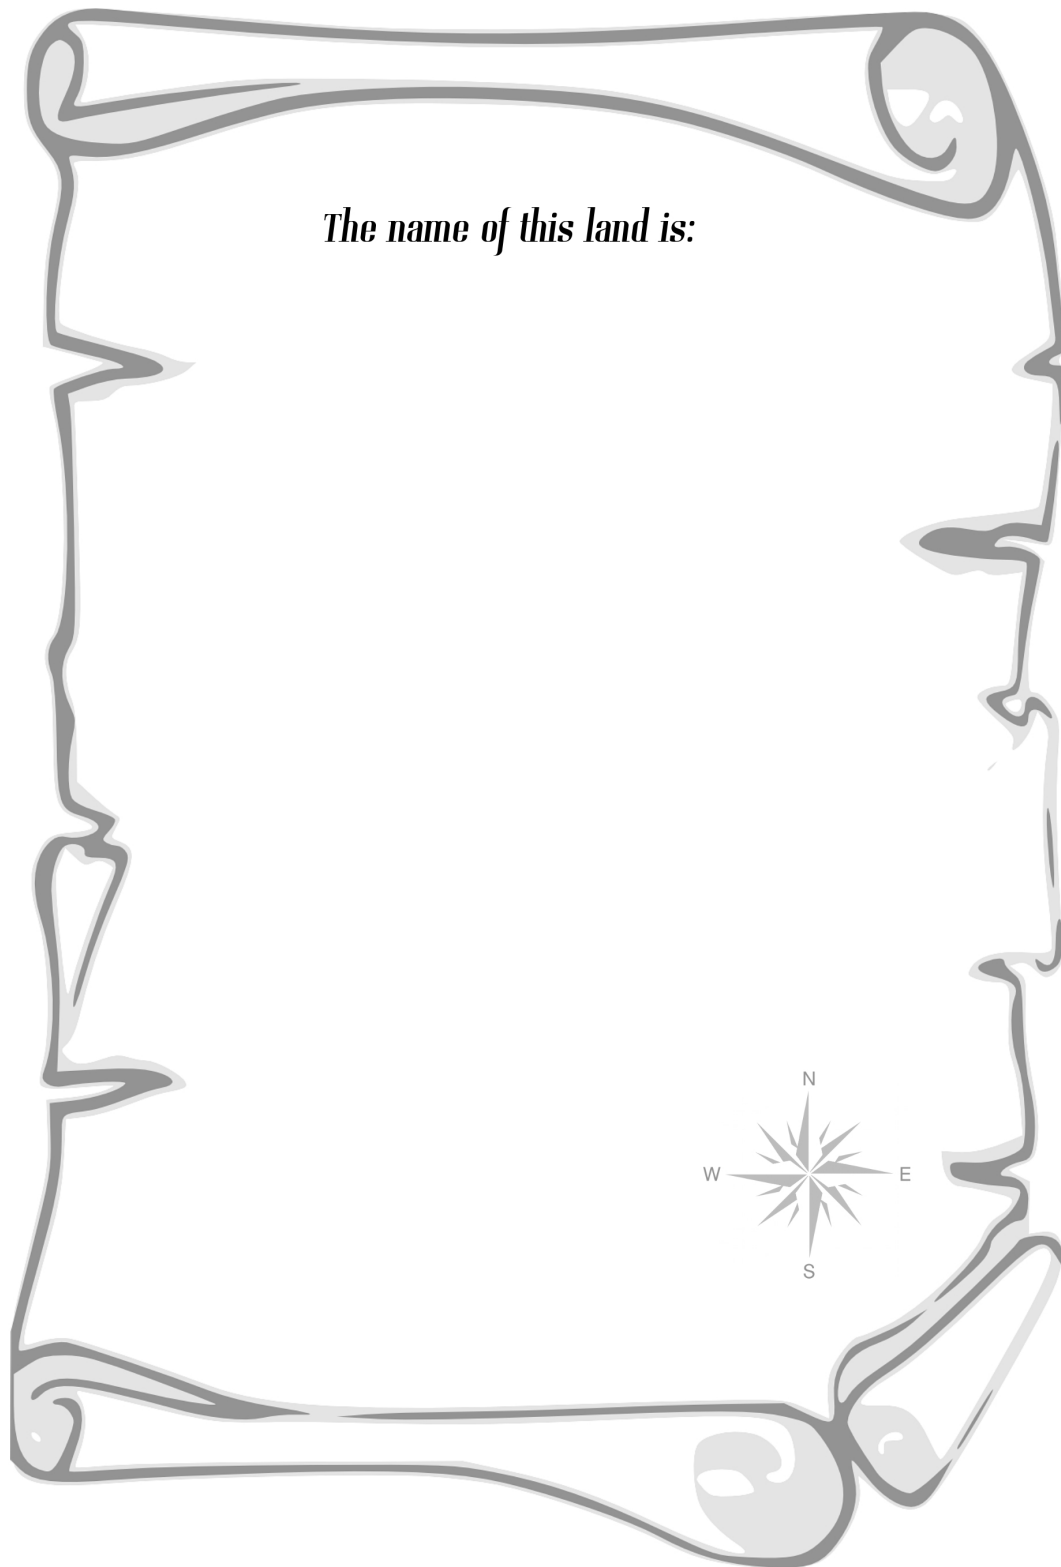

NEXT ACTIVITY

5. DiNO - STORY

Create a story about your Dinosaur using the four boxes below like a comic strip.

NEXT ACTIVITY

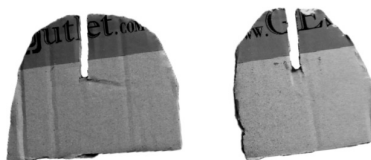

6. DINO TV

You've made a **Dinosaur**, you've imagined their world, you've created a story – now you are going to make a **TV** show, and your **Dinosaur** is the star.

STEP 1:

Use your card, food packaging and tape to make the front of your **TV**.

Make a rectangle and cut a hole in the middle – just like a picture frame.

We made a couple of legs to help our **TV** stand up

STEP 2:

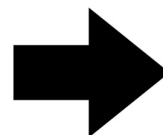

Decorate your **TV**.

Remember, this is a **Dino TV** – it doesn't have to look like a normal **TV**.

We added an aerial and some buttons using bottle tops, we also added the name of our **Dinosaur**.

NEXT STEPS

STEP 3:

Put your **Dinosaur** world into your **TV** – your plant, your den and your toy.

You could add more things to this world using things from your house.

You could even use a lamp to create the sun or the moon.

STEP 4:

Now its time for your **Dinosaur** to get on **TV** and act out their story.

Can you recreate the pictures you drew on page 5?

Get your adult to film or take photo's with their phone!
